DISCOVER THE POWER OF PLANT EXTRACTS

Garcinia

is a plant that has been used in traditional Indian medicine for years. It helps to burn faster the body fat and suppress the appetite.

Gurmar

is a plant that got called the „sugar slayer“ due to its properties.
It helps to reduce cravings for sweet foods.

Turmeric

supports the proper digestion of fats and the functioning of the digestive system.

Kelp

is one of the varieties of brown algae. It contains a lot of mineral components and trace elements, including iodine.
Supports the regulation of metabolism.

Do not exceed the recommended daily serving. The products are not to be used as a substitute for a varied diet. Maintaining good health requires a balanced diet and a healthy lifestyle.

STRESS MANAGEMENT

Would you like to cope more easily with daily stress and improve your mood?

Too intense lifestyle, stressful work, excess of responsibilities and not enough sleep is a daily life for many of us. It's time to end with that and bring to your life so much-needed harmony and tranquility. Having this in our mind, we have created a **STRESS MANAGEMENT** dietary supplement that helps to cope with irritation, nervousness and tension.

DISCOVER THE POWER OF PLANT EXTRACTS

Ashwagandha,

or Indian ginseng, is a plant that has been used for centuries in the Ayurvedic tradition. It is primarily known as an adaptogen which means that it helps the body to cope with nervous tension.

Lemon balm

helps to relax and regain a well-being.
It helps also to fall asleep.

Valerian

supports coping with daily stress and tensions
and helps to maintain a good mood.

Our advice:

other factors that helps to reduce an everyday stress are physical activity and relaxation techniques, like spending time in nature, breathing exercises, listening to the music or aromatherapy.

Do not exceed the recommended daily serving. The products are not to be used as a substitute for a varied diet. Maintaining good health requires a balanced diet and a healthy lifestyle.

What will you find in it?

extracts of lemon balm, valerian
and ashwagandha

How does it work?

- helps to reduce tension caused, among other things, by an intensive lifestyle
- helps to maintain a good mood
- soothes irritability and tension
- increases resistance to stress

How to use it?

take 1 capsule 2 times a day with water (250 ml).
The recommended daily serving is 2 capsules.

DETOX

Want to support your body's natural cleansing processes?

An unhealthy lifestyle, too many highly processed foods in the diet or stimulants are all factors that can cause harmful toxins to build up in our bodies. Our body detoxifies from them every day - the liver and intestines, among others, are responsible for this. You can support these organs by using our **DETOX BODY CLEANSING** dietary supplement.

DISCOVER THE POWER OF NATURAL INGREDIENTS

Silybum marianum, also known as wild artichoke, supports the proper functioning of the liver and the regeneration of its cells. It assists in detoxifying the body.

Betula pendula helps neutralize and remove some toxins from the body. It also supports the digestive process.

Black pepper supports proper digestion and absorption of nutrients. The piperine it contains has a cleansing effect and speeds up metabolism.

What will you find in it?

extracts of silybum marianum, betula pendula, field horsetail, Chinese tea and black pepper and kelp

How does it work?

- it supports the maintenance of the physiological detoxification functions of the liver
- it supports the organs responsible for detoxification of the body

How to use it?

Take 1 capsule 2 times a day, having it with water (250 ml). The recommended daily serving is 2 capsules.

VITAMIN C FROM ROSEHIP

Want to naturally replenish your vitamin C levels?

This vitamin has many important functions in the body.

We are not able to produce or accumulate it ourselves.

Therefore, we need to supply it to our body regularly.

If diet alone is not enough, it is a good idea to reach for the dietary supplement **VITAMIN C FROM ROSEHIP**.

DISCOVER THE POWER OF NATURAL INGREDIENTS

Rosehip

is a real superfood. It is one of the richest natural sources of vitamin C - its fruits have much more of it than citrus.

Vitamin C

among other things, it helps in the proper functioning of the nervous system and increases the absorption of iron. It also contributes to maintaining normal energy metabolism.

Do not exceed the recommended daily serving. The products are not to be used as a substitute for a varied diet. Maintaining good health requires a balanced diet and a healthy lifestyle.
